

# How do I get started with Combat Patrol™: WWII?

You have *three options*:

1

Purchase a starter set from **Sally 4<sup>th</sup>**, which contains the full rule book, two Action Decks, and an Activation Deck. This is enough for a two- to four-player game.

2

Purchase a single Action Deck. **Download** the introductory rules from **Sally 4<sup>th</sup>**, DriveThruCards, or the Combat Patrol™ Web page. You can also purchase an Activation Deck from Sally 4<sup>th</sup> or use a regular poker deck to try the rules.

3

Purchase a full set of cards from **Sally 4<sup>th</sup>** or DriveThruCards. There are two sets from which to choose. Each set contains four Action Decks and an Activation Deck, sufficient for 4- to 8-player games. The only difference between the sets is the color of the card backs to help players keep their decks separate during play.
